

after-MARKET SUPPORT

As we look to improve our service/repair time strategy for Fujitec and other OEM equipment, Fujitec commits resources to 4 facilities with over 150,000sq/ft to inventory components for systems in our service and maintenance portfolio. Part requests are handled by phone at 1-877-FUJITEC or by filling out the form below and emailing your request to serviceparts@us.fujitec.com.
